Activity Description:

Department of EEE in association with IEEE Student Chapter organized a Seminar on "Soft Skills for the B. Tech., III Semester students. "People who wish to go into the future should have two skills to succeed - the ability to deal with people and the ability to sell- that is nothing but Soft skills".

The aim of the Seminar was to enlighten the students in all walks of their lives. The Resource person of the program was Mr. K. Eswara Reddy, Assistant Professor of English, Department of H&S, KSRMCE. He gave lots of information on how one can strengthen himself/ herself by imbibing Soft Skills. The speaker stressed that Soft Skills are personal attributes that influence how well you can work or interact with others. These skills make it easier to form relationships with people, create trust and dependability and lead teams. Finally with cooperation of Head of the Department, Students and Coordinators the event was completed successfully.
