SUMMARY SHEET		
Criterion – 3	Research, Innovations and Extension	
Metric No:	3.2.1	Research funding received by the institution and its faculties through Government and non-government sources such as industry, corporate houses, international bodies for research projects, endowment research chairs during the last five years.
DVV Query		Revisit the figures once again, the allocation figure does not meet with the amount in the sanctioned letter, for instance, "Vehicle routing problem". HEI required providing financial audit sheets for the period under assessment "Highlighting" the heads along with the allocation for each head. Also, utilization certificates, for the grants received in the AY 2019-20 and 2020-21, required to be furnished.
HEI's Response		<p>Dr. G. Nagarajan has submitted the proposal on "Vehicle Routing Problems" for Research Funding to Virtualmaze Softsys Pvt., Ltd., on 20.06.2019. The proposal was approved by the funding agency for Rs. 2,50,000/- for a period of 3 years. An amount of Rs. 70,000/- was sanctioned as 1st installment. The audit statement for this amount is audited in the FY 2019-2020. Subsequently, the Principal Investigator has resigned. The work carried out by the PI before getting relieved was submitted to the funding agency. After receiving the NOC from the funding agency, this employee was relieved. Hence, further installments were not received by the HEI. The HEI hence claims Rs. 50.1 Lakhs for the research funding received during the assessment period.</p> <p style="text-align: center;">View Document</p> <p>As required by the DVV, we are attaching the list of grants received for A.Y 2019-20 & 2020-21 along with sanction letters, utilization certificates & CA certified audit statements. Kindly consider.</p> <p style="text-align: center;">View Document</p>
